APEX SMART TECH - DISASTER RECOVERY POLICY

Section 1.0: Cloud High Availability and RPO/RTO

Apex cloud platform guarantees 99.9% uptime availability across all municipal services.

Recovery Point Objective RPO is less than 15 minutes.

Section 2.0: Annual Third-Party BCMS Audit

Annual surveillance audit conducted in October 2025 by Global Security Certifications Board.

Audit report confirms zero non-conformities across multi-tenant infrastructure.
